**RESPONSE TO NOTICE TO FILE MISSING PARTS OF REISSUE APPLICATION**

Box Reissue  
Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In response to the Notice to File Missing Parts of Reissue Application mailed February 5, 2001, Applicant hereby submits a copy of the Reissue Specification in double-column format as required by 37CFR 1.173(a)(1).

The Notice to File Missing Parts also noted that the declaration is missing because it is "unsigned". Applicant respectfully submits that the three declarations were "signed". In fact, Applicant enclosed a copy of the reissue declarations submitted in the parent application, two of which were actually signed by the inventors and one of which was unsigned but was accompanied by a decision according signed status under 37

A copy of the original postcard, which accompanied the original application, is attached with the three items circled for the reader's review.

Applicant is uncertain whether the \$65.00 surcharge still applies in view of the original declarations having been signed, but has enclosed such check nonetheless. Please charge any additional fees which may be due and refund any overpayments to our deposit account number 01-1960. A duplicate copy of this letter is enclosed for that purpose.

Please feel free to call if you have any questions or comments.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Box Reissue, Assistant Commissioner for Patents, Washington, DC 20231 on
